Elk Grove Writers Guild
Writers Helping Writers

Welcome!

The Elk Grove Writers Guild became more than talk in 2018. Our purpose was to help writers improve their writing skills. This newsletter is one way the Guild works toward that goal.

Within these pages, you'll find a wealth of information about upcoming events, classes, and Guild news. We also provide writing tips, updates on the latest happenings in the writing world, and writing wisdom.

We're always looking for new contributors and encourage you to submit your work. Whether you have news about your writing group's events, book launches, poems, writing tips, recent successes or publications, or reports from events you've attended, we want to hear from you.

See the back page for submission information.

What's Happening?

January 31st was the deadline to volunteer for positions on the EGGWG board or in key departments, so no news yet. The board will probably send out a notice when the election is over.

Elk Grove Writers Guild Meetings are on the **first Friday of each month from 12:30 to 2:30.**

We gather as a Writer's Circle to speak the language of writers. We share what we're doing and how we're doing it. Topics vary as questions and problems are discussed or as the latest information in the writing and publishing world is shared.

Guild members can post their work-in-progress (WIP) on Google Docs and share it with other members for critiques. This is an excellent way to receive input and valuable insights into the work presented.

If you're interested in joining the Guild, go to www.egweg.org, click **JOIN**, fill out the membership application, and send in your dues.

If you'd prefer to visit first, come to the first Friday meeting at **Round Table Pizza, 10054 Bruceville Road, in Elk Grove**. The next meetings are on **February 6 and March 6, 2026.**

Contact loyholder77@gmail.com for answers to any meeting or Guild questions.

Something New From

Elaine Faber

[Black Cat and the Immigrant Child: A tale of corruption and deceit met with compassion and tenacity. \(Black Cat Mysteries Book 5\) - Kindle edition by Faber, Elaine. Mystery, Thriller & Suspense Kindle eBooks @ Amazon.com.](#)

Kimberlee, Dorian, and their pets return to Grandmother Lassiter's multimillion-dollar horse ranch on the Mexico-Texas border to settle her affairs. On their first day, an illegal immigrant is found murdered with a six-year-old girl at his side. Black Cat and Angel overhear a ranch hand confess to the murder and say he plans to kill the little girl, who witnessed the crime. The family gets involved in protecting the girl. Black Cat teams up with Murphy, his Maine Coon rival, and Cedric, the barn rat, to prevent another murder and catch the culprit. The story highlights Black Cat and Angel's funny relationship and is perfect for fans of light mysteries and humor.

EGWG President's Column

Happy February 2026

Dear members and friends,

We had a wonderful group at our first EGGWG Membership Meeting of 2026.

There was a lively discussion about possibly changing the meeting time and/or date to boost attendance among members who work during the day.

Someone mentioned that when writing a book with many characters, it can be helpful to create a diagram showing their relationships. I thought it was worth sharing here.

Stay tuned for updates on our progress in filling the new EGGWG Board Positions.

Have a great February.

Loy Holder – EGGWG President

A Little Tidbit from the Editor

In January, I enrolled in a publicity course with Jill Lubin through San Joaquin Valley Writers. It was excellent, and I strongly recommend listening to her if you get the chance. She

shared many helpful tips, but the three main points I found valuable were:

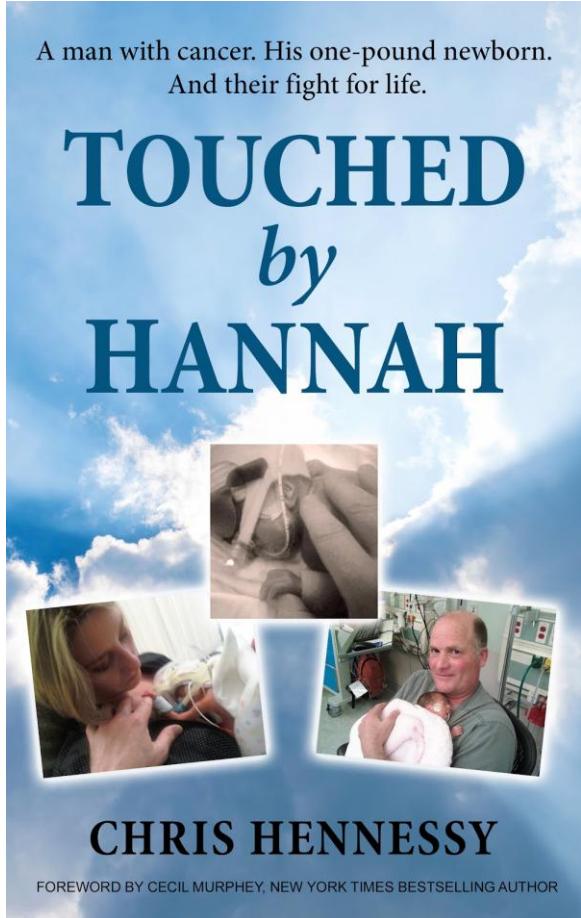

1. When discussing your book with others, mention the title three times.
2. Instead of using your regular email, create one with your pen name or the name you use as an author. For example mine would be, PLClarkauthor@gmail.com
3. If you have a speaking engagement or are writing an introduction, make sure to include your name, your role as the author, and the title of your book. For example, PL Clark, author of Vanished.

Paraprosdokians From Historical Figures

1. Three may keep a secret if two of them are dead. – Benjamin Franklin
2. If I had to name my greatest strength, I guess it would be my humility. Greatest weakness, it's possible that I'm a little too awesome – Barack Obama
3. When I was young, I used to think that money was the most important thing in life; now that I'm old, I know it is – Oscar Wilde
