We have received your federal determination letter and Form 3500A, *Submission of Exemption Request*, and have approved your request for California Tax-exempt status.

Under California law, Revenue and Taxation Code (R&TC) Section 23701 provides that an organization is exempt from taxes imposed under Part 11 upon submission of the federal determination letter approving the organization's tax-exempt status.

Generally, the effective date of an organization's California tax-exempt status is the same date as the federal tax-exempt status.

To retain tax-exempt status, the organization must be organized and operating for nonprofit purposes within the provisions of the above R&TC section. An inactive organization is not entitled to tax-exempt status.

In order for us to determine any effect on the tax-exempt status, the organization must immediately report to us any change in:

- Operation
- Character
- Purpose
- Name
- Address
